

Shown with: Perrin & Rowe[®] Armstrong[™] Filter Kitchen Faucet, Soap Dispenser, The Gallery by Shaws[®] Shaker Fireclay Kitchen Sink.

The strong, streamlined design of the Armstrong[™] Kitchen Collection is inspired by George and Joseph Armstrong, railway engineers whose innovations made an impact during the Industrial Revolution. The Armstrong marries a modern aesthetic with subtle references to its origins. Handles designed like industrial levers have crosshatch nuances. Ring detailing and bolt-like shapes mirror industrial hardware. The Armstrong brings a sense of dynamic precision to a design of minimalist beauty to complement any kitchen décor.

The single-lever kitchen pull-down faucet is available with or without touchless technology.
